Attention: 3-Star Chief Captain Tom Joenkers and the Cedar Rapids Military.

I find these truths to be self-evident. You are hereby notified formally in writing that you at your military headquarters located at 505 1st Street SW Cedar Rapids Iowa 52404 I myself Leo William Bushnell do so this at this time effective immediately formally declare WAR against you and your Cedar Rapids Military, along with all of the numerous factions of the Cedar Rapids Military who I did in fact shoot with 2 rifles in combat on March 23, 2022 at my home in Cedar Rapids Iowa and I affirm to wage war against all of these specifically named factions of it.

-The Cedar Rapids Military.

-Any Terrorist, Belligerent, Demon or witch in the state of Iowa.

-Any "police" officer in the state of Iowa.

-Any concentration camp guard in the state of Iowa.

-Any elected officials in the state of Iowa.

-Any person who aids, abets, assists, helps, provides comfort, material goods, finances or anything amounting to treason to help your military.

This is signed into law and made official with myself as testator this 15th day of August 2024 at 1700 hours central standard time in Coralville Iowa. My declaration of War against the Cedar Rapids Military is FINAL and cannot be reversed as federal law prohibits negotiation with terrorists like you. This declaration of war against you is NOT a joke and is a solemn vow to wage war against you and the Cedar Rapids Military at ALL times, until my death. In the event of my death, I have included a current legal copy of my last will and testament that I have already notarized and signed into Iowa law for my property and who will get it. Furthermore, this declaration of War signifies the end of formalities that are similar to negotiation with terrorists. These are all of the very many reasons for this declaration of War:

On March 23, 2022 Terrorist infantryman Jared Jupin did in fact wage war against me in my home in Cedar Rapids as he broke through enemy lines, rioted, committed TREASON, seditious conspiracy, burglary, armed robbery, kidnapping and R.I.C.O. statute violations in an unlawful act of war against me, as he wore a jungle green camouflaged military uniform with a tan infantry helmet that he had affixed the black word POLICE and also a terrorist political flag known as "the thin blue line flag" with the intent of waging war and breaking state and federal laws in my house. Infantryman Jared Jupin did NOT have a warrant signed by a judge as he pretended to in the video of his war he filmed and showed at my jury trial in court and he only pretended to have a warrant as upon closer inspection Major General Russell Keast did not sign the attack order for my home until March 24, 2022, one full day in the future AFTER Jupin waged war at my home unlawfully pretending to have a warrant. Furthermore infantryman Jared Jupin and his co-belligerents have unlawfully formed a new illegal military known as the Cedar Rapids Military that has its own military black flag known as the thin blue line terrorist flag. During infantryman Jared Jupins act of war he broke very many laws in addition to military infantry rules of engagement. Approximately 18 months after his declaration of war against me he appeared in person at my jury trial I plead NOT guilty to and he then went under oath and admitted that he is guilty and also committed obstruction of justice and perjury under oath at my trial on or about July 26, 2023. The trial lasted 5 days and we all watched the terrorist video of the Cedar Rapids Military using a military tank to unload infantry at my home and go to war on video. The trial put very many witnesses, jurors, terrorists and hostages under oath. I was found guilty of 5 crimes and not guilty of 1 crime by Major General Sean McPartland and his Cedar Rapids military in direct violation of Iowa law, federal law, international laws, and military rules of engagement, and I did NOT get a legally conducted fair trial as required. I was present at the trial and Major General Sean McPartland sentenced me to 30 years in prison for shooting his military in his war. As of today I have been a prisoner of war for more than 29 months and I have been beaten, raped, tortured, starved, denied medical treatment, harassed, interrogated and deprived of life, liberty and due process of law to such an extent that the Cedar Rapids military is guilty of crimes against humanity defined in the Hague by the Geneva Conventions that are similar in nature to the Nuremburg trials of the Nazi military after world war 2. Upon oath of affirmation and closer inspection it has been revealed that the Cedar Rapids police department
